MODERNITY AND ELEGANCE IN THE HEART OF EUROPE

Sofitel Brussels Europe welcomes you in a chic and contemporary setting. Decorated by the French designer Philippe Capron, the hotel invites you to succumb to the charm of its timeless decoration with elegant and modern lines.

Located on the Jourdan Square, in the heart of the European Quarter, it benefits from a privileged location: between the European Parliament and the European Commission, a few steps from the Leopold Park, from the Jubilee Park and from many museums. A private and secured parking of 43 spots is easily accessible, with the possibility of individual or group reservation upon specific conditions.

Sofitel Brussels Europe features 149 rooms and suites recently renovated and with an unbeatable comfort. The hotel also offers a unique convention center with 11 meeting rooms, a library, a business corner and an exclusive terrace on the hotel rooftop, which offers a stunning view over the city and the Jourdan Square. For all guests, the access to the fitness center and the hammam is free. For those who prefer outdoor exercise, a jogging track near the hotel is also available.

The hotel also has a restaurant and a bar with a chic and relaxing atmosphere: the BE Café Marché Jourdan. Enlightened by soft lightings and comfortably seated, you will enjoy a bistronomic cuisine with delicious seasonal dishes that pay tribute to the local sunday market. A superb selection of Belgian beers and European wines will successfully complete the cuisine of the Chef Romain ABEILLE.

For the chocolate lovers, the Neuhaus boutique located within the hotel offers a refined selection of famous Belgian chocolates. A perfect idea to bring back a souvenir of Belgium and to please everyone...

*Life is Magnifique in Brussels!*

Brussels is best visited on foot.. There are numerous parks, such as the Jubilee Park (Parc du Cinquantenaire) or the Leopold Park next to the hotel, or the Royal Garden and the Bois de la Cambre, which are very popular in Brussels. Its majestic historic heart is undoubtedly worth a visit. The Grand Place and the Manneken Pis are the perfect places to stay, offering a unique ambiance with such characterful buildings.

In Brussels, every street corner has its own universe; whether it's on the Place du Luxembourg or the Flagey ponds and its cafés, downtown with its frescoes dedicated to the 9<sup>th</sup> art, the Grand Sablon with its antique dealers, or on the top of the city with its houses of the Art Nouveau style.

Beyond its many museums and attractions, Brussels also offers atypical monuments, such as the Atomium, erected for the Universal Exhibition of 1958 and which became one of the symbols of the city. Its summit makes you discover a panoramic view over the unforgettable city.

This capital is also known for its designers and restaurants. A successful evening is most often accompanied by Belgian beer(s) and dishes such as the famous mussels-fries.
