SOFITEL BRUSSELS EUROPE

MODERNITY AND ELEGANCE IN THE HEART OF EUROPE

The Sofitel Brussels Europe, just as its neighbourhood, is home to disparate cultures. In this comfortable elegant oasis you enjoy a sharing and truly welcoming lifestyle in a bon vivant, refined ambiance created by a constant dialogue between the outside and the inside.

The hotel has a restaurant and bar with a contemporary and bright atmosphere. The 1040 with his large bay windows overlooking the Leopold Park, is serving a real Belgian brasserie cuisine with gourmet and refined dishes. A superb selection of Belgian beers and European wines will perfectly accompany the restaurant's menu designed by Chef Jean-Philippe Watteyne.

ACCOMMODATION

THE MYBED™ SIGNATURE

Sofitel Brussels Europe offers 137 rooms and 12 suites with a chic and contemporary design, available through 6 categories.

From the classic room, you can enjoy a selection of coffees and teas, a free WI-FI internet access and an individual and secured safe. The superior rooms are located on upper floors, and most of the luxury rooms offer a privileged view on the Place Jourdan.

BRUSSELS

THE EUROPEAN CAPITAL

Brussels is a multicultural city with a thousand faces. Capital of Europe with the European Commission and the European Parliament, it is above all a dynamic and welcoming metropolis. Its business district easily accessible attract headquarters of various multinationals and allow the organization of important meetings, like the European summits.

Brussels is best visited on foot.. There are numerous parks, such as the Jubilee Park (Parc du Cinquantenaire) or the Leopold Park next to the hotel, or the Royal Garden and the Bois de la Cambre, which are very popular in Brussels. Its majestic historic heart is undoubtedly worth a visit. The Grand Place and the Manneken Pis are the perfect places to stay, offering a unique ambiance with such characterful buildings.

In Brussels, every street corner has its own universe; whether it's on the Place du Luxembourg or the Flagey ponds and its cafés, downtown with its frescoes dedicated to the 9th art, the Grand Sablon with its antique dealers, or on the top of the city with its houses of the Art Nouveau style.

Beyond its many museums and attractions, Brussels also offers atypical monuments, such as the Atomium, erected for the Universal Exhibition of 1958 and which became one of the symbols of the city. Its summit makes you discover a panoramic view over the unforgettable city.

This capital is also known for its designers and restaurants. A successful evening is most often accompanied by Belgian beer(s) and dishes such as the famous mussels-fries.

In summary, Brussels is the ideal city to take a break, whether on a business or leisure weekend. A city that opens its arms and likes to share its history, its culture and its gastronomy.
